RE: **Summary of Quantities for Pavement Marking**  
Contract ID: DN00435  
County: Polk and Clay  
Letting Date: September 8, 2015

The summary of quantities, for pavement markings, was inadvertently omitted from the above contract proposal. Please insert this attached summary of quantities into the contract proposal. The inclusion of the summary of quantities does not change bid items or the associated quantities, but it does clarify how the quantities, within the pay items, were obtain. Since there are no revisions to the pay items, there will be no revised ebs file as a part of this addendum.

Please insert this letter into the addendum section of the proposal and sign the verification. Thank you for your attention to this matter.
